### § 503.54 Original classification.

(a) No Commission Member or employee has the authority to originally classify information.

(b) If a Commission Member or employee develops information that appears to require classification, or receives any foreign government information as defined in section 1.1(d) of Executive Order 12958, the Member or employee shall immediately notify the Security Officer and appropriately protect the information.

(c) If the Security Officer believes the information warrants classification, it shall be sent to the appropriate agency with original classification authority over the subject matter, or to the Information Security Oversight Office, for review and a classification determination.

(d) If there is reasonable doubt about the need to classify information, it shall be safeguarded as if it were classified pending a determination by an original classification authority. If there is reasonable doubt about the appropriate level of classification, it shall be safeguarded at the higher level of classification pending a determination by an original classification authority.

[49 FR 44401, Nov. 6, 1984, as amended at 64 FR 23548, May 3, 1999]

### § 503.55 Derivative classification.

(a) In accordance with Part 2 of Executive Order 12958 and directives of the Information Security Oversight Office, the incorporation, paraphrasing, restating or generation in new form of information that is already classified, and the marking of newly developed material consistent with the classification markings that apply to the source information, is derivative classification.

(1) Derivative classification includes the classification of information based on classification guidance.

(2) The duplication or reproduction of existing classified information is not derivative classification.

(b) Members or employees applying derivative classification markings shall:

(1) Observe and respect original classification decisions; and

(2) Carry forward to any newly created documents the pertinent classification markings.

(3) For information derivatively classified based on multiple sources, the Member or employee shall carry forward:

(i) The date or event for declassification that corresponds to the longest period of classification among the sources; and

(ii) A listing of these sources on or attached to the official file or record copy.

(c) Documents classified derivatively shall bear all markings prescribed by 32 CFR 2001.20 through 2001.23 and shall otherwise conform to the requirements of 32 CFR 2001.20 through 2001.23.
